a free community dental day

**SATURDAY
NOVEMBER 2, 2024**

NEW LOCATION

Liberty High School

6300 Independence Ave
Bealeton, VA 22712

www.piedmontsmiles.org
855-495-LINK(5465)

What is Piedmont Smiles?

Piedmont Smiles is a one-day event providing free dental care to **adult residents** in the region — no questions asked.

What services will be provided?

Patients can receive FREE, same-day treatments like cleanings, fillings and tooth extractions. *Please note: We cannot provide dentures at this event.*

What if I need urgent dental care?

If you are experiencing a dental emergency or another urgent need before November 2, please do not wait to seek treatment. You can call PATH Community Link at 855-495-LINK to get connected to resources that can help.

Who should come?

Any adult in need of dental care should attend (unfortunately, we cannot treat children at Piedmont Smiles). We'll have space to treat up to 200 people.

Next steps

Registration will take place on the morning of the event; first-come, first served. If you plan on attending, please complete our interest form at piedmontsmiles.org, which will allow you to receive text and email updates leading up to the event.

Should I get there early?

Yes, plan to arrive early. Doors will open at 7 a.m.

The wait can be long, so consider bringing a book or small activity to pass the time.

Need transportation?

If you need a ride, RTC Mobility Center is providing free transportation to and from the event. **Call to reserve a ride: 540-829-5300.** There is also free parking available.
